(words & music by wakely/rose)I could wander the
byway, rewander tooBut it wouldn't be the same
without youThose familiar old places would just make
me blue'cause it wouldn't be the same without you
wasted my love on a careless romanceBut I'd do it
again, if I had the chanceI could start my life over with
somebody newBut it wouldn't be the same without
youI wasted my love on a careless romanceBut I'd do
it again, if I had the chanceI could start my life over
with somebody newBut it wouldn't be the same
without you
