You may have doubts and fears
Your eye be filled with tears
Well, my Jesus is a friend
Who watches day and night

Well, He wrote my name above
And He bathed my heart in love
Well, just a little talk with my Jesus
Gonna make it right

Let us have a little talk with my Jesus
Let Him all about our troubles
He'll hear our fainted cry
He will answer by and by

When you feel a little prayer wheel turning
You know just a little fire is burnin'
Have a little talk with my Jesus
Gonna make it right

Well, you may have doubts and fears
Your eye be filled with tears
Well, now my Jesus is a friend
Who watches day and night

Well, you go to Him and pray
He gives the answer to my every prayer
And, well, just a little talk with my Jesus
Gonna make it right

Have a little talk with my Jesus
Tell Him all about our troubles
He'll hear our fainted cry
And He know He will answer by and by

Feel a little prayer wheel turning
And you know a little fire is burnin'
And have a little talk with my Jesus
Gonna make it right
Make it right
