Why must I love a heartless woman  
Who never knows the harm she's done  
Though love is blind I should have known  
Just call me lonesome from now on

I climb the stairs up to my room  
But no-one greets me in my gloom  
The silence tells me she is gone

Just call me lonesome from now on

These walls will hide me when I cry  
I hope that heaven lets me die  
What good is life when hope has gone  
Just call me lonesome from now on

Just call me lonesome from now on
