(words & music by eddie rabbit - dick heard)

Seven lonely days  
And a dozen towns ago  
I reached out one night  
And you were gone  
Don't know why you'd run,  
What you're running to or from  
All I know is I want to bring you home

So Im walking in the rain,  
Thumbing for a ride  
On this lonely kentucky backroad  
Ive loved you much too long  
And my loves too strong  
To let you go, never knowing  
What went wrong

Kentucky rain keeps pouring down  
And up aheads another town  
That I'll go walking thru  
With the rain in my shoes,  
Searchin for you  
In the cold kentucky rain,  
In the cold kentucky rain

Showed your photograph  
To some old gray bearded man  
Sitting on a bench  
Outside a genral store  
They said yes, she's been here  
But their memory wasn't clear  
Was it yesterday,  
No, wait the day before

So I finly got a ride  
With a preacher man who asked  
Where you bound on such a dark afternoon?  
As we drove on thru the rain  
As he listened I explained  
And he left me with a prayer  
That I'd find you
