Wherever you go  
Wherever you may wander in your life  
Well surely you know, surely  
I always wanna be there  
Holding your hand  
And standing by to catch you, when you fall  
Seeing you through, in everything you do

I said, let me be there in your morning  
Let me be there in your night  
Let me change whatever's wrong and make it right  
(Let it make it right)  
Let me take you to that wonderland, that only two can  
share  
All I ask you, let me be there  
(Let me be there)

Watching you grow  
And going through the changes in your life  
Well, that's how I know  
(That's how I know)  
I always wanna to be there  
Whenever you feel, you need a friend to lean on  
Here I am  
Whenever you call, you know I'll be there

I said, let me be there in your morning  
Let me be there in your night  
Let me change whatever's wrong and make it right  
(Let it make it right)  
Let me take you to that wonderland, that only two can  
share  
All I ask you, let me be there

Let me be there in your morning  
Let me be there in your night  
Let me change whatever's wrong and make it right  
(Let it make it right)  
Let me take you to that wonderland, that only two can  
share  
All I ask you, is let me be there  
(Let it me be there)

All I ask you, is let me be there  
(Let it me be there)  
(Let it me be there)

I said, let me be there in your morning  
Let me be there in your night  
Let me change whatever's wrong and make it right  
(Let it make it right)  
Let me take you to that wonderland, that only two can  
share  
All I ask you, is let me be there  
(Let it me be there)  
All I ask you, is let me be there  
(Let it me be there)  
(Let it me be there)
