I am just a lonesome cowboy
And I'm traveling all alone
I ain't even got a nickel
To call my baby on the phone

Just beyond the mountain lies a city
And I hear it calling me
Saddle up and ride, you lonesome cowboy
Here is where you'll find your destiny

In my dreams the lights shine bright and pretty
Near to me and yet so far
Will I always be a lonesome cowboy?
Am I only reaching for a star?

Ride, ride, ride, ride along cowboy
Cowboy, cowboy
Sing, sing, sing, sing a song cowboy
Cowboy, cowboy

Will I ever leave this lonesome valley?
Really see the lights that shine?
Gotta find what lies beyond the mountain
Gotta rope and tie that dream of mine

I am just a lonesome cowboy
And I'm traveling all alone
If you don't call me baby
Then I'm never coming home
Then I never coming home
