Maybellene, why can't you be true?

Oh maybellene, why can't you be true?

Youve started back doing the things you used to do.

As I was motivatin over the hill

I saw maybellene in a coup de ville.

A cadillac a-rollin on the open road,

Nothin will outrun my v8 ford.

The cadillac doin bout ninety-five,

Shes bumper to bumper rollin side by side.

Maybellene, why can't you be true?

Oh maybellene, why can't you be true?

Youve started back doing the things you used to do.

The cadillac moved to a hundred and four

Got hot and wouldn't do no more

It got cloudy and started to rain

Tooted my horn in the passing lane

The rain water blowin all under my hood

I knew that was doin my motor no good

Maybellene, why can't you be true?

Oh maybellene, why can't you be true?

Youve started back doing the things you used to do.

Maybellene, why can't you be true?

Oh maybellene, why can't you be true?

Youve started back doing the things you used to do.

The motor cooled down, the heat went down

And that's when I heard that highway sound.

The cadillac a-sittin like a ton of lead

A hundred and ten a half a mile ahead.

The cadillac lookin like it's sittin still

And I caught mabellene at the top of the hill.

Maybellene, why can't you be true?

Oh maybellene, why can't you be true?

Youve started back doing the things you used to do.

Youve started back doing the things you used to do.
