Well, it's hard to be a gambler bettin' on the number  
That changes ev'ry time  
When you think you're gonna win, you think she's givin'  
in  
A stranger's all you find

Yeah, that's hard to figure out, what she's all about  
But she's a woman through and through  
She's a complicated lady  
So color my baby moody blue

Oh, moody blue  
Tell me, am I gettin' through  
I keep hangin' on  
Trying to learn the song but I never do

Oh, moody blue  
Tell me, who I'm talkin' to  
You're like the night and day  
And it's hard to say which one is you

Well, when Monday comes she's Tuesday  
When Tuesday comes she's Wednesday, into another  
day again  
Her personality unwinds just like a ball of twine  
On a spool that never ends

Just when I think I know her well, her emotions reveal  
She's not the person that I thought I knew  
But she's a complicated lady  
So color my baby moody blue

Oh, moody blue  
Tell me, am I gettin' through  
I keep hangin' on  
Trying to learn the song but I never do

Hey, moody blue  
Tell me, who I'm talkin' to  
You're like the night and day  
And it's hard to say which one is you  
Oh, my baby, my moody blue

Oh, moody blue  
Tell me, who I'm talkin' to  
You're like the night and day  
And it's hard to say which one is you

Yeah, moody blue  
Tell me, am I gettin' through  
I keep hangin' on  
Trying to learn the song but I never do  
Let me tell you about moody blue
