Walk down to the beach at sunset  
Look as far as you can see  
You will find that endless ocean  
And that's how my love will always be  
(On and on and on)

I bring you never ending, never ending  
Never ending, never ending  
Never ending, never ending love  
(It goes on and on)

Look up at the sky at midnight  
Gaze on the starlit view  
Just as Heaven has no boundaries  
Neither does my love for you  
(On and on and on)

I bring you never ending, never ending  
Never ending, never ending  
Never ending, never ending love  
(It goes on and on)

Never ending love  
(It goes on and on)  
Never ending love  
(It goes on and on)

Never ending love  
(It goes on and on)  
Never ending love  
(It goes on and on)  
(It goes on and on)
