I remember, my first love affair  
Somehow or another the whole darn thing went wrong  
My mama had some great advice  
So I thought I'd put it into words of this song  
I can still hear her sayin' it

"Boy, oh, I see you're sittin' out there all alone  
Cryin' your eyes out 'cause the woman that you love  
has gone  
Oh, there's gonna be, there's gonna be a whole lot of  
trouble in your life  
Oh, so listen to me get up off of your knees 'cause only  
the strong survive"

That's what she said  
"Only the strong survive, only the strong survive  
Oh, you've got to be strong, you'd better hold on  
Don't go, all around with your head hung down"

Well, I wouldn't let that little girl  
No, I wouldn't let her know that she made me feel like a  
clown

There's a whole lot a girls, lookin' for a good man like  
you  
Oh, but you'll never meet 'em if you give up now  
And say, your life is through

And she said it  
"Only the strong survive, only the strong survive  
Oh, you've got to be a man, you've got to take a stand  
Only the strong survive, only the strong survive"

"Well, you've got to be strong, you'd better hold on  
Only the strong survive, only the strong survive  
Only the strong survive"

"Well, you've got to be a man, you've got to take a  
stand  
Only the strong survive, only the strong survive  
Only the strong survive, only the strong survive  
Only the strong survive"
