

Elvis Presley "Power Of My Love"

Visit "[Power Of My Love](#)" on MotoLyrics.com

Oh, break it, burn it
Drag it all around
Twist it, turn it
You can't tear it down

'Cos every minute every hour you'll be shaken
By the strength and mighty power of my love

Crush it, kick it
You can never win
I know baby you can't lick it
I'll make you give in

And every minute, every hour you'll be shaken
By the strength and mighty power of my love

Baby I want you
You'll never get away
My love will haunt you
Yes, haunt you night and day

Touch it, pound it
What good does it do
There's just no stoppin'
The way I feel for you

'Cos every minute, every hour you'll be shaken
By the strength and mighty power of my love

Yeh, yeh, baby I want you
You'll never get away
My love will haunt you
Yes, haunt you night and day

Touch it, pound it
What good does it do
There's just no stoppin'
The way I feel for you

'Cos every minute, every hour you'll be shaken
By the strength and mighty power of my love

I said, "Every minute, every hour you'll be shaken
By the strength and mighty power of my love"

Hey, and every minute, every hour you'll be shaken
By the strength and mighty power of my love
