Well, He's so high  
(So high, you can't get over Him)  
So wide  
(So wide, you can't get around Him)

So low  
(So low, you can't get under him)  
Great God Almighty  
(Watch Him coming at your door)

Oh well, He's high  
(So high, you can't get over Him)  
And He's wide  
(So wide, you can't get around Him)

So low  
(So low, you can't get under Him)  
The mighty lamb  
(Watch Him coming at your door)

Well, I went down in the valley  
You know I did over there ever stay  
My soul got happy in the valley  
You know I stayed right there all day

Well, He's high  
(So high, you can't get over Him)  
And He's wide  
(So wide, you can't get around Him)

I know He's so low  
(So low, you can't get under Him)  
Hey, mighty lamb  
(Watch Him coming at your door)

Well, I ain't been to Heaven but I'm, I'm told  
The streets, the streets are pearls  
You know the mighty, mighty  
Mighty gates are gold

And He's high  
(So high, you can't get over Him)

So wide  
(So wide, you can't get around Him)

He's so low  
(So low, you can't get under Him)  
The mighty Lamb  
(Watch Him coming at your door)

Well, He's high  
(So high, you can't get over Him)  
And He's wide  
(So wide, you can't get around Him)

I know He's so low  
(So low you can't get under Him)  
The mighty lamb  
(Watch Him coming at your door)
