Something in the way she moves  
Attracts me like no other lover  
Something in the way she moves me  
I don't want to leave her now  
You know I believe and how

Somewhere in her smile she knows  
All I gotta do is think of her  
Something in her style that shows me  
I don't want to leave her now  
You know I believe and how

You're asking me will our love grow  
I don't know, I don't know  
You stick around and it may show  
I don't know, I don't know

Something in the way she moves

Attracts me like no other lover  
Something in the way she moves me  
I don't want to leave her now  
You know I believe and how

You're asking me will our love grow  
I don't know, I don't know  
You stick around and it may show  
I don't know, I don't know

Something in the way she moves  
All I gotta do is think of her  
Something in her style that shows me  
I don't want to leave her now  
You know I believe and how
