All the rides are over and done
Its late and no prizes are left to be won
The rides are closed, its the end of the day
The horses are moving away
Yes the fairs moving on
And Ill soon be gone
Remember the love that weve known
Yes the fairs moving on
But I wont leave you long
Its the last time youll be on your own

The music has ended, the carousels still
The horses in boxes with the big ferris wheel
The canvass and glitter are safely on board
The trailers will soon hit the road

Yes the fairs moving on
And Ill soon be gone
Remember the love that we had
Yes the fairs moving on
But I wont leave you long
Im coming back so please dont be sad

At dawn Ill be gone but Ill soon return
Till then the fairs moving on
Till then the fairs moving on
Till then the fairs moving on
Till then the fairs moving on
