The first time ever I saw your face
I thought the sun rose in your eyes
And the moon and stars were the gifts you gave
To the dark and the empty skies, my love
To the dark and the empty skies

The first time ever I kissed your mouth
I felt the earth move in my hands
Like a trembling heart of a captive bird
That was there at my command, my love
That was there at my command

That was there at my command, my love
That was there at my command

The first time ever I kissed your mouth
I felt the earth move in my hands
Like a trembling heart of a captive bird
That was there at my command, my love
That was there at my command

That was there at my command, my love
That was there at my command
