The clock by the bed is ticking, too loud in the quiet
night

I lie in the darkness thinking, I must go before it's light
Before you open up your eyes and you beg me to stay
I'll leave 'cause I can't stand to see you hurt this way

Sleep my love as I kiss you goodbye
Then I won't hear the sound of your cry

Though I knew the time was coming and our love would
end somehow

I just couldn't bear to tell you exactly just when or how
I know we can't go on, that it was wrong to start
But if you wake up crying now, you'll break my heart

Sleep my love as I kiss you goodbye
Then I won't hear the sound of your cry

Oh, sleep my love as I kiss you, kiss you goodbye
Then I won't hear the sound of your cry

Oh, sleep my love as I kiss you, kiss you, kiss you
goodbye
Then I won't hear the sound of your cry

Oh, sleep my love as I kiss you goodbye
Then I won't hear the sound of your cry
