Hmmm.....

And all the world go free

Now there's a cross for everyone

And there's a cross for me

Turn your eyes upon Jesus

Look full in his wonderful face

And the things of earth will grow

strangely dim

In the light of his wonderful face/ or glory and grace

Nearer my God thee

Nearer to thee

even though it be a cross

That raiseth me

Nearer my God to thee (this line should be) still all my

song shall be

Nearer my God to thee

Nearer my God to thee

Nearer to thee
