You're not a dream, you're not an angel
You're a woman
I'm not a king, just a man
Take my hand

We'll make a space in this life
That we planned
And here we'll stay until it's time
For you to go

Yes, we're different worlds apart
We're not the same
We laughed and played at the start
Like in a game, oh Lord

You could have stayed outside my heart
But in you came
And here you'll stay until it's time
For you to go

Don't ask why, don't ask how
Don't ask forever, love me
Love me, love me, love me now

This love of mine has no beginning
It has no end
I was an oak now I'm a willow
And I can bend

And though I'll never in my life
See you again
Here I stay until it's time
For you to go
Oh, yes, I'll stay until it's time
For you to go
