Ooh, yes we're comin' in loaded
Ooh, yes we're comin' in loaded
I'll hold the boat steady brother like a rock
Full speed a head until we hit the dock

We're heading for home, the fishing was great
We're comin' in loaded 'cause we're all out of bait
Well, well, well, well, well
Oh, well now, yeah

We got them packed to the water line
Some got away but the catch was fine
Never saw such big ones, m'man oh man
We're comin' in loaded just as fast as we can

Well, well, well, well, well
Oh, well now, yeah

I'm gonna see my baby soon as I get back
Knock on the door with my pockets packed
She'll look at me well she can't say no
We're comin' in loaded so come on let's go

Well, well, well, well, well
Oh, well now, yeah
Oh, well now, yeah
Yeah, we're comin' in loaded
