Don't do that, please stop it, please stop it now
You know I can't take it, please stop it now
My head is spinnin' a spell on me now

My head is spinnin' around and around
My head is spinnin' goin' around and around
Your witchcraft has got me
Keep goin' down and down

Let me forget her, don't mention her name
You know it brings back that old burnin' flame
It hurts to know that she don't feel the same

My head is spinnin' around and around
My head is spinnin' goin' around and around
Your witchcraft has got me
Keep goin' down and down

I can't go on since she left me alone
My one desire is to try not to cry
She might come back one day by, by and by

My head is spinnin' around and around
My head is spinnin' goin' around and around
Your witchcraft has got me
Keep goin' down and down
