I'm standing right in front of the malecn
In Puerto Vallarta
Somebody told me you loved me
So come on
Get in on, get it on
Happy loneliness I feel,
Standing right here,
In Puerto Vallarta
Warm love below
My orange dress,
So come on
Get it on, bring it on
Warm love below
My orange dress,
So come on
Get it on, bring it on
The way I see things here,
It's very nice, It's very open,
Things are really, really clear
Are very soft, are very hard
Are very calm, are very safe
Are very fine, are very beautiful
I have to run to my hotel,
And be ready for me,
Ready for you,
Ready for it,
Oh my baby
If I have to say a word
I must confess
I love you back honey
Lovely, you're love is so lovely,
So come on
Get it on, bring it on
The way I see things here,
It's very nice, It's very open,
Things are really, really clear,
Are very soft, are very hard,
Are very calm, are very safe,
Are very fine, are very beautiful
I have to run to my hotel
And be ready for me,
Ready for you,

Ready for it,
Oh my baby
