95 South, 95 South  
95 South from Portland Maine  
When am I ever gonna see you again?

95 South, 95 South  
95 South tryin' to whistle a tune  
Potholes deeper that the craters on the moon  
95 South

Well, the longest train that I ever saw  
Had the front in the summer and the back in the fall  
I wish I was on that train tonight  
Rollin' in the pale moonlight

95 South, 95 South  
95 South to Boston town  
Honey, this tunnel is a-getting me down

95 South, 95 South  
95 South to the big city light  
Honey, won't you shine on me tonight?  
95 South

Well, the longest train that I ever saw  
Had the front in the summer and the back in the fall  
I wish I was on that train tonight  
Rollin' in the pale moonlight

Well, the longest train that I ever saw  
Had the front in the summer and the back in the fall  
I wish I was on that train tonight  
Rollin' in the pale moonlight

95 South, 95 South  
95 South off the Jersey Pike  
Coffee colored Cadillac rollin' through the night

95 South, 95 South  
95 South, Carolina Pines  
My head is swimming in the honeysuckle vine  
95 South

Well, the longest train that I ever saw  
Had the front in the summer and the back in the fall  
I wish I was on that train tonight  
Rollin' in the pale moonlight

95 South  
95 South  
95 South  
95 South

95 South  
95 South  
95 South  
95 South
