(Butch Hancock)

Down On The Drag...Down On The Drag  
Where Some Low Down Son Of A Bum  
Even Stole My Sleepin Bag  
Left Me Standin At The Newstand  
Readin want ads in The Rag  
My baby's back up in Lubbock  
And I'm...Down On The Drag

Well the sooner i get to Houston  
The sooner i'll catch me a boat  
I'm gonna cross that Gulf of Mexico  
I'm takin anything that will float  
I been.....

Well The Sooner I Leave This Town Behind  
The sooner i'll get control  
Of all my dirty dreams and my hard losin schemes  
My heart...Body...Mind...And soul  
I been.....

If you don't believe my story  
I ain't gonna tell you no more  
And if you ever expect to see me anymore  
I'll be sleepin down in some doorway
