I Got the July Blues
It's too hot for snakes
My Cow won't milk
And my bulldog shakes
It's flat tough to watch
Water go down the drain
I wanna love you honey
Down in my domain
Till the cows come home
And the clouds make rain...?

I Got the July Blues
My Tom cat's in shock
My clock don't tick
And my rock don't rock
It's too damn hot I know
It's bakin' my brain
I wanna love you honey
Down in my domain
When the cows come home
And the clouds make rain...?

I Got the July Blues
I got Hornets in my hair
My, My Baby's suckin' on ice cubes
That ain't even there
She say "Joe, hey Joe how'd you like to have a
A nice cool drink from my spring?"

I wanna love you honey
Down in my domain
When the cows come home
And the clouds make rain!

Damn, it's hot
Too hot to cook
?
?
Air conditioned book
Hey Sheriff
Where's that posse?
?
