It's a hot and a rockin' street
All-right, all-right.
Burns my jumpin' feet
Tonight, tonight
Lightnin' flies are shinin'
All-right, all-right.
Mardi Gras' unwindin'
Tonight, tonight

I'm gonna paint this town red
And sail the ocean blue
Stay by me, Honey I'll stand by you
Jolie Blon how are you
All right, all right
My Swansio, how are you
Tonight, tonight

I'm gonna paint this town red
And sail the ocean blue
Stay by me, Honey I'll stand by you

It's a hot and rockin' street
All right, all right
Burns my jumpin' feet
Tonight, tonight
