Baby like the night life  
She can't tolerate the quiet life  
She got a shakin' fever  
Ain't nobody don't believe her

She gotta get the gettin' tonight  
She gotta get the gettin'  
while the gettin' is right

She said, "Oh, oh, oh, boys can't you rock this joint  
I gotta get the gettin' can't you get to the point  
She said, "Oh, oh, oh, boys can't you rock this joint  
I gotta get the gettin', baby, get to the point!

Baby licks her lipstick  
I slick down my cow lick  
She'll be out this weekend  
Ain't nobody disagreein'

She gotta get the gettin' tonight  
She gotta get the gettin' while the gettin' is right!

She said, "Oh, oh, oh, boys can't you rock this joint  
I gotta get the gettin' can't you get to the point  
She said, "Oh, oh, oh, boys can't you rock this joint  
I gotta get the gettin' can't you get to the point!

Cha Cha like the front row  
Lightnin, hail, sleet or snow  
She gotta silver rosary  
Motto Pater Pope Porri

Repeat Chorus
