How many times did you tell me, "I need you"?
And how many times did I try to believe you
That ain't enough

How many roads did I ride just to find you?
How many fires did you burn there behind you?
That ain't enough

That ain't enough to satisfy my love
I'm so greedy
That ain't enough, you called my bluff
When I was bleeding

You knew me so well, I trusted your power
Now that you're gone, it's my darkest hour
That ain't enough

That ain't enough to satisfy my love
I'm so greedy
That ain't enough, you called my bluff
When I was bleeding

I was losin' my head
Over somethin' you said
But I don't blame you

I was falling apart
'Bout to break my heart
I was the same as you

But that ain't enough to satisfy my love
I'm so greedy
That ain't enough, you called my bluff
Stop my bleeding

I was losin' my head
Over somethin' you said
But I don't blame you

I was falling apart
'Bout to break my heart
I was the same as you

You know I care
I combed your hair with my fingers
If that ain't enough
I'm givin' up, I won't linger
