At times I think of you and I  
The first time we had met  
It happened all so fast  
Why...do I feel like this way  
What should I even say  
My words cannot explain how lost I am

In this game of love  
And I can't clear out my mind  
It's clouded with these thoughts  
I can't help to stop and think  
Of how things with us could be  
Or how disturbing this is to me

Now...I feel so confused  
I don't know what to do  
It seems like I'm being used  
Just...stop messing with my mind  
With all your taunting words  
My heart cannot define how lost I am

In this game of love  
And I can't clear out my mind  
It's clouded with these thoughts  
I can't help to stop and think  
Of how things with us could be  
Or how disturbing this is to me

I don't know what I want  
If I want to be with you  
Your words put a spell on me  
It's hard to believe

In this game of love  
And I can't clear out my mind  
It's clouded with these thoughts  
There's no reason I can find  
In this game of love  
In this game of love  
In this game of love
