"Bend Your Mind"

Let me bend your mind
Just give up your body
If you give it a try
I know you won't be sorry
Filling inside turn you outside
Find you shining
Spanning acres crashing breakers
Can be blinding
Ride
Sweet smelling ride

Your shoulder blades like sails
And your mouth my rosary
That terrifies my tail
The feral dance of infinity
Limbs are singing velvet stinging
Seashell pining
Dripping sapling nature grappling
Tear the binding
Wide
Spread so wide

I wanna hear you sigh
Just give me your body
I want to see it in the light
Surrender to debauchery

Bend your mind dear
Now your mine dear
Earth is grinding

Keep on beaming
Are we dreaming are we dying
Ride
Sweet swelling ride
Ride
Sweet swelling ride

On the verge dear
As we merge dear
Now we're flying
Sacred bailing so enthralling

Mystifying
Ride
To the other side
Ride
'til we're sanctified

On the verge dear
As we merge dear
Now we're flying
Sacred balling so enthralling
Mystified
Minds are bending happy ending
Silver lining
Ride
Ride
