He said, I can still see you coming in my mind's eye,
He said, I remember dying when you drained all my
life,
Diamonds all day,
I want some, I need your,
Diamonds all day,
I want some, I need to pray,

He said, naughty raw sugar, naughty raw sugar drips
]from your sweet ocean's lips,
Give me another kiss, give me another sip,
Naughty raw sugar,
Are you moving for me? ,

Are you moving for me? ,
Diamonds all day,
Away now, hush baby,
Diamonds all day,
Away now, sweet baby,
Diamonds all day,
Away now, hush mayday
Mayday
