Welcome to my scorn  
Where evil dares not to crawl  
Praise god, praise the lord  
Follow the way, the truth and the light  
Who said you'd be saved?  
So listen to words that I preach  
Your wicked means I can wash away  
The lie that you've always believed

You made me god today  
Now in your hour of pain

[Chorus:]  
A celebration divine  
Communion of new faith  
Media manipulate  
The ignorant leads the blind  
Purgatory awaits  
In false you put your trust  
Disobedience is blasphemy  
The death comes and all will be lost

Send generous donations  
For luxuries I need  
To help you find the salvation  
My pleasures fulfilled

You made me god today  
Now in your hour of death

[Chorus:]  
I am the word that answers your every doubt  
The holy truth revealed  
The serpent call

I am the silent tempter that crucifies  
The perilous deceiver  
The Antichrist

Selfish religious infest  
Deceit of trust

I heal the sick and raise the dead  
To betray your soul

You made me god today  
Now in the hour of end
