You
You know you look okay
Although you've got nothin' to say
I'd like to take you home
I'd like to take you
Tonight we'll go to Rome

I'll be your doll, your baby doll
I'll be your doll, your baby doll
I'll be your ball, your crystal ball
I'll be your ball, your crystal ball
I'll be your call, your one last call
I'll be your wall, your wailing wall
Only for tonight

I'll be your sky, your fallen sky
I'll be your sky, your fallen sky
I'll be your guy, your best friend guy
I'll be your why, your reason why
I'll be your cry, the baby cry
Only for tonight

I'll be your life, your afterlife
I'll be your life, your afterlife
I'll be your knife, your hunting knife
I'll be your knife, your hunting knife
I'll be your wife, your sweet little wife
I'll be your strife, your struggling strife
Only for tonight

I'll be your bride, your june june bride
I'll be your tide, your rising tide
I'll be your tide, your rising tide
I'll be your ride, your pony ride
I'll be your kite, your spirit kite
Only for tonight

I'll be your pant, your doggy pant
I'll be your pant, your doggy pant
I'll be your rent, your fire rent
I'll be your chance, your voodoo chance

I'll be your can't, your can't can't can't
Only for tonight
Only for tonight
