I was lost
I was found
I was free
I was bound
The moment my eyes struck yours

I was old I was new
I was born I was thought
The moment my eyes struck yours

I was strong I was weak
I was fearless meek
The moment my eyes struck yours

I was troubled
I was calmed
I was naked

I was armed
The moment my eyes struck yours

The moment my eyes struck yours
The moment my eyes struck yours

I was lit
I was dark
I was a flood
I was the ark
The moment my eyes struck yours

The moment my eyes struck yours
The moment my eyes struck yours
The moment my eyes struck yours
The moment my eyes struck yours
The moment
