### Verse I

Sometimes I cant help but feel there is something  
inside of me,  
Like a virus its consumin me  
A virus with no cure,

### Chorus

There's something inside of me,  
Why can't i be free?,  
There's something inside of me,  
It will never leave me,

### Verse II

My ill-gotten torment still remains,flowing through my  
aching vains,  
Like sprawling roots smothering me the pain is  
empowering me,

There's something inside me,  
Why can't i be free?  
There's something inside of me,  
it will never leave me,

### Solo

### Chorus

There's something inside of me,  
Why can't i be free?  
There's something inside of me,  
It will never leave me,
