[Intro - Woman talking] (*wind blowing and bell ringing in the background*) Ah, if I could get my hands on that 'sill I could pull myself up AH, uh (*"Aaaaaaah aaaaaaah" - repeated in the background throughout the song*) [Break - Elzhi] D (D, D ...) E (E, E ...) M (M, M ...) O (O, O ...) N (N, N ...) S (S, S ...) [Interlude - Elzhi - talking] (*echo*) Damn, I think I'm goin insane I'm hearin voices echoin in my mind I can't take this y'all [Verse 1 - Elzhi] Look, I can feel the demons in my brain, creepin through the dark parts Got my tuckin different handguns in my Carhartt's Where the hood got the reaper hidin underneath, yo Every wonder why we rather die, then let the beef go? Stay feelin stress, greed, lust and jealousy My people cope by usin ccess, speed, dust and LSD D, more than just a simple sickness It's triple sixes, to haunt the Holy Temple scriptures And got the lost souls playin false roads They got 'em, once they get inside 'em, like crossbows It's the demons, conjurin up images you dreamin Or screamin, it's seems when you're semen they schemin Got us paranoid, steppin out very cautious The same way we holdin guns, nuns carry crosses Forms of protection against the evil forces Of course there's subjections, in your cerebral vortex The demons [Interlude - Elzhi - talking] (*echo*) Man, my palms feel sweaty My skin's curlin Even my soul feel trapped man I don't know what to do Sometimes I wake up in the middle of the night Hearin whispers [Break - Elzhi] You see, if you listen close, you can hear the song they sing Between good and evil, you're just a puppet on a string It could be the Angel of Death or the Angel King A pitchfork with horns or a halo with wings [Verse 2 - Elzhi] If I broke the word down in acronyms, while usin part logic A demon could mean - destroyin every man off narcotics Drug epidemics, measure obsession needles Got dealers earnin money overnight Deceitful elections, monitor our nations While devil's effected, music out now on your stations Dirty, explicit, material, oozin negativity Distortin, eardrums mentally, overwhelmin nonsense Dysfuctional, educational, malfuctions, oppressed negroes Death, equals

murder, oxygen's neglected Drama, extreme mayhem,
ownin a necklace Diabetes enter many obese niggaz
So, dreams eventually match, ordinary nightmares
Department, eviction, management office notices
Dreadful, evolved missiles operatin nuclear Why is this
new to you? [Interlude - Elzhi - talking] (*echo*) I can't
explain it dog I get this chill in my spine I just get the
urge to do somethin real crazy man Yo, I might be losin
my mind [Break - Elzhi] You see if you listen close You
can hear the song they sing Between good and evil,
you're just a puppet on a string Singin ... ("Aaaaaaah
aaaaaaah, aaaaaaah aaaaaaah") [Break - Elzhi] D (D, D
...) - dark deception, deepest degree E (E, E ...) -
enhanced evil, extraordinary envy M (M, M ...) - major
malicious, miscellaneous mayhem O (O, O ...) -
overload off, obnoxious obscenities N (N, N ...) - never
nice nature, negative nemesis S (S, S ...) - several
strange souls symbolizin stress S (S, S ...) - several
strange souls symbolizin stress S (S, S ...) - several
strange souls symbolizin stress [Outro - Elzhi - talking]
(*echo*) FUCK! I can't take this shit dog I'm seein
demons I'm stressed the fuck out Lord help me I think
I'm goin insane Can't explain it [Skit] (*echo*) (What do
you see right now?) (ohh) (Do you see exactly and only
what I choose to show you?) (what?, get out of my
head) (That is it) Man #1: Yo, what the fuck? Man #1:
What you doin in bed with this nigga man? Man #1: You
got another nigga in my bed? Man #2: Yo, old up, hold
on a second man, hold on a second man Man #1: Yo,
shut the fuck up man Man #1: Y'all gonna make me kill
both of y'all motherfuckers Man #1: Nigga get the fuck
down! Man #1: You shut the fuck up Man #1: Fuck y'all
niggaz doin? Man #1: Fuck this shit man, you about to
die right Man #1: And fuck y'all niggaz man Man #2:
You cannot do this, don't do this
