(I don't know what this world is coming to!) (*sample plays in the background throughout the song*) [Intro]
Elzhi: What up dough nigga? Male friend: What up El?
Male friend: Put it on it first? Elzhi: Yo, I put somethin on there, what's the deal? Male friend: What's good?
Elzhi: You know we got to smoke, right? Male friend: That's right Male friend: But yo Elzhi: Yo Male friend: What's up with this motherfuckin rap game? Male friend: This shit is all fucked up Elzhi: Heard you heard that shit on the radio, right? Male friend: Yeah, I heard that bullshit Elzhi: Yeah, I'm tired of that shit man Male friend: I'm tired of that shit too dog Elzhi: Niggaz ain't fuckin with us man Male friend: Niggaz ain't fuckin with El Male friend: Yo, I think you ought to show these niggaz man Male friend: Show these motherfuckers what a classic is man Elzhi: Yeah Male friend: Show these niggaz what real hip hop shit is man Male friend: Hit 'em with somethin [Verse 1 - Elzhi] This is only the beginnin Not everything I've been in is included though It'll be concluded in the endin I thank y'all for spendin, time Your nickel and dime or four quarters To get your pre-store orders Now it's finally here and I'm in your possession You witness my growth and saw the progression A blessing, to the day that I'm breathless I guess it was destined, now welcome to The Preface
