We Will Be Free (Heathens Will Feel)  
By Emanuel

Righteous people must stand tall  
And the heathens them must fall, and the time is now!

It's a feeling I feel  
And my feelings so real  
And I know, that we will be free  
It's a feeling I feel  
And my feelings so real  
And I know, the heathens will feel

No other time but now  
Don't have to steal, don't have to bow  
Not our style, not our vow  
Keep trodding through life like we know how  
The wicked not going to stand to long  
Been bless from a long time that's why we sing song  
Them better come sing along  
Because their time already long gone

It's a feeling I feel  
And my feelings so real  
And I know, that we will be free  
It's a feeling I feel  
And my feelings so real  
And I know, the heathens will feel

Everyday we get up and stand tall  
Despite it all, they want us to fall  
They wanna see Jah people start crawl  
"Them ah go" fall like ah Jericho wall  
Greedy, greedy and bad mind  
Say them ah your friend, but they still red eye  
Jah people, I know they will shine  
Bad man, red eye they will get blind

It's a feeling I feel  
And my feelings so real  
And I know, that we will be free  
It's a feeling I feel

And my feelings so real  
And I know, the heathens will feel

Been hard, but we pull through  
Move out, watch out, let us pull through  
Hard for them to see Jah people view  
Jah teach us how to tell the truth  
Yea, swear them have a clue  
Make big noise because of curfew  
Me tell you the road of Jah is just few  
And the blessed of Jah is just few

It's a feeling I feel  
And my feelings so real  
And I know, that we will be free  
It's a feeling I feel  
And my feelings so real  
And I know, the heathens will feel
