In my dreams,
Time it seems,
Is pain without end.
Well I tried to find,
A place to hide,
My doubts about us.

Now see it fall away,
We all become the same,
This stormy night.

A fall from grace,
Yes,
My fate.

We'll end into the fold,
We are, we are, we are,
Too far to stop.
And I won't fall, we are, we are, we are,
Too far too stop.

(Ohh I.. Ohh.. I..)

Tell me what I wanna hear,
And I'll take you anywhere you wanna go,
Oh, I'll take you there.

We're already gone,
Forget, regret about,
Mistakes I made.
I still feel her.. (Still)

We'll end into the fold,
We are, we are, we are,
Too far to stop.
And I won't fall, we are, we are, we are,
Too far too stop.

Wake up!
What if you took my word!?
What this stood for!?
Girl!

Wake up, wake up,
Wake up, wake up,

We'll end into the fold,
We are, we are, we are,
Too far to stop.
And I won't fall, we are, we are, we are,
Too far too stop.
