Pride yourself unholy one  
Never grasp the throne of God  
Receive your fate your prideful pig  
Forever you will not win

I will not be deceived  
I will not give into your temptation  
I am bought by the Blood of Jesus  
The power of heaven protects me  
Meaningless to me is blasphemies

You say I am weak  
(By Christ I'm made strong)  
Denying temptation  
(Through God)

Sit at your throne of this world  
Creating your patchwork of hate  
Call me what you want  
The truth remains the same

I am branded Christian  
Immortal soul of mine  
Fearing not this world  
I am enslaved by no man  
Remaining in my faith  
I do not stand alone

My spirit is willing  
Falling to my knees a servant  
Unto Christ in this world  
Of disease forever, eternal

Standing by my Father's side  
As I watch this world  
Return to Sodom & Gomorrah

I hate to watch you fall  
I bow down to only one God  
Christ who died and arose  
And to see you wallow in your shame  
And to deny His love and grace?

I hate to watch you fall

Pride yourself unholy one  
Never grasp the throne of God  
Receive your fate your prideful pig  
Forever you know you will not win

Forget my past  
In time you stand to question my faith  
A continuing game of chasing your tail  
I will not give into your clouded ways  
And from this path my foot will never stray

I will not be deceived  
I will not give into your temptations  
I am bought by the Blood of Jesus  
The power of heaven protects me  
Meaningless to me is blasphemies
