

## Embodiment "Halo Of Winter"

Visit "[Halo Of Winter](#)" on MotoLyrics.com

I regret the way I sat  
And the way you stood there  
It didn't matter  
We'd just end up doing it anyway  
My self-taught moral

I'll just go ahead  
And turn the other cheek  
I knew what I was doing all along  
And let it go on for weeks

I regret the way you sat  
And the way you stood there  
It didn't matter we'd just  
End up doing it anyway  
Your self-taught moral

You'll just go ahead  
And turn the other cheek

I regret the way we sat  
And the way we stood there  
Just go ahead  
Ignore it long enough  
In time it will go away

We were fooling ourselves  
You'd say you were in love  
It's okay, this is my excuse  
Tomorrow is another day  
I'll just finish up tonight  
It will soon be yesterday

Go to the store and buy the box  
I hope it's answer is no  
I'm not ready to grow up  
Even with you, I feel alone

I wear this halo for decades  
I call it winter because it's so cold  
It reminds me of desire of youth  
Not even my wife can take away
