Take me up from this world  
Can't you see this hurting inside?  
How you allow Him  
To defile my person

I invite infelicity  
And this world it tries to weaken my faith  
So You are my strength  
In this world of ignorance

Blinded by sin I question your motives  
Leaving myself to abhorrent ways  
This devil is beaten, I decollate your servants  
Sword of the spirit I will defy you

Lord, You are so faithful with me everyday  
Your heart forever graceful assurance of victory

In my heart and soul, no dominion  
The path that Christ walked I choose to live  
Death is swallowed up in victory  
My faith in God I will not shudder

In my heart and soul, no dominion  
The path that Christ walked I choose to live  
Death is swallowed up in victory  
My faith in God I will not shudder

I will not shudder  
I choose to walk the way that Christ did  
I will not shudder  
I choose to walk the way that Christ did

Take me up from this world  
Can't you see this hurting inside?  
How you allow Him  
To defile my person

Blinded by sin I question your motives  
Leaving myself to abhorrent ways  
This devil is beaten I decollate your servants  
Sword of the spirit I will defy you

Lord, You are so faithful with me everyday  
Your heart forever graceful assurance of victory
