yes, i fucked jesus at the cross
the nailed sucker, that whimpering bitch
the son of mary, the whore of god
father joseph a stupid slot

come, my jesus, suck my dick
drink the sperm and eat my shit
fuck with pigs, yuo weak fary
watch me fuck with mother mary
your father joseph masturbates at the corner
about his show up and dishourness
take my whips in forbidden pleasure
in leather coffs, my holy treasure

shut up!you weeping piece of spew
on your cross will fuck you too
my beats are strong, you strat to jell
isn't it the living hell?

my beats are strong, fell my pure hate
i hope it'll burn out your last faith!
