Petty poets with poison pens  
Forcing rhymes to get revenge  
They better get the person  
Who got them good  
Themselves, themselves, themselves

You hide the truth when I walk in  
Eat your shit with a grin  
You better get the person  
Who got you good  
Yourself, yourself, yourself

Isn't it nice you don't have to look far  
To find the person who leave the deepest scar  
Isn't it sad that as long as you live  
You are the fuck-up  
You can't forgive

It's my view of life and I think it's true  
You know I'm hurt it's not the same for you  
I better get the person who got me good  
Myself, myself, myself

Isn't it nice I don't have to look far  
To find the person who leaves the deepest scar  
Isn't it sad that as long as I live  
I am the fuck-up  
That I can't forgive

Apologies
