I didn't want to see people  
Hurting people  
But I refuse to close my eyes  
So in front of me  
I see ugly people  
Seething and believing ugly  
Lies

And yes, of course, I'm  
Scared of being hurt  
And yes, of course, I'm  
Scared of being wrong  
But at the same time my silence  
Will convict me  
And the evil will carry on  
If I can do some good  
I want to do it  
If I have a choice  
I want to make it  
It's my human responsibility  
That life lives  
Selfishness gives  
And death becomes natural

So you can stay cool behind  
Your window  
And choose the view  
You want to see  
But as long as there are  
Others held captive  
Do not consider  
Yourself free.
