I was gonna let you down,
Every time you ever doubt,
I was gonna say aloud
I could never let you down,
But I know the lies have changed,
Everybody rearranged,
Now I don't, do ya?
I was gonna give you all,
Everything I had and more,
I was gonna stay the course,
Now I've got enough for yours,
Everybody stays the time
just as I believe it's mine,
But you don't, do ya?

Hallelujah. Hallelujah.
Hallelujah. Hallelujah.
Hallelujah. Hallelujah.
Hallelujah. Hallelujah.

And I won't change any more (any more),
Just believe in yourself.

Hallelujah. Hallelujah.
Hallelujah. Hallelujah.

Hallelujah. Hallelujah.
Hallelujah. Hallelujah.

And each time, I know that
I want it, it all away
Ooooh,
Each time I hold ya
I feel like I can stay.

Hallelujah. Hallelujah.
Hallelujah. Hallelujah.
Hallelujah. Hallelujah.
Hallelujah. Hallelujah.

I was gonna let you down,
I was gonna give you love,

Everything you wanna find,
I will pay the waitin' time.
