I'm so stuck with a love that I feel

Here inside

every part aches,

I don't know why I still feel this way when with you

I'm such a lucky fool.

Your warm hands cling onto mine and

you know inside

that you feel safe.

I don't know why I still feel this way but I do,

I'm such a lucky fool,

I'm so in love with you.

I don't know why I still feel this way but I do,

I'm such a lucky fool,

I'm still in love with you.
