It's the way I feel

It's the way I feel

I'm in yer hand do as we planned

Show me the way you kneel

don't you kneel it's the way I feel

hungry for thirst full fit to burst

give me a go at the wheel

cause I, I just don't know which way I should turn

Look around my friend

leave them all behind

I'm gonna take a look at all the things I find

so take a bow leave me out

Last gas pa pa pa pa pa pa pa pa paaa pa pa pa  
naaaaaaa

Last gas pa pa pa pa pa pa pa pa paaa pa pa pa  
naaaaaaa

Look around look around look around your mine

Look around look around look around you'll find
