this is the truth (x)  
bound to violence  
accept yourself (x)  
open your eyes

and take a look at this world  
never think (that) using your mind is a weakness  
the only ones that betray  
are the ones that make you believe that here you are  
safe

crucified to an aimless cost  
and delivered to the kings of the corporations

this is the truth (x)  
bound to violence  
accept yourself (x)  
how can't you see

that this culture is so rotten inside  
where nothing grows and everything is dying  
and you cannot react  
cause they sedate

your denial  
you are just opening the gates

coward  
you are opening the gates  
of the apocalypse

this society has no regard for human life

money is created out of nothing creating debt  
this debt is paid by you and to pay you need to work  
everything in your life is controlled in the name of  
profit  
you ask to have this system as you depend on your  
possessions  
and that's the plan for domination

wake up

this is domination  
and we are slaves (x)  
wellfare its warfare
