I'll struggle on and on and on.
Run run away.
That's all youve fucking said.
And i don't know why i never lashed out for what you
fucking did.
For what i have to take to my grave.
I've been skinned alive under your microscope (haha
he was skinned!)
Your knives cut me up well ive bled for you.
I'd cut my throat for you.
Your knives cut me up.
I'll hurt you.
Welcome to my world.
Vengeance, terror, hatred.
Because your the one who twisted those fucking
knives.
I bled for you. they cut me up. because...
