This song is about

Fuck it, you know who you are, mother fucker

[Chorus]

You did me wrong,  
Bitch, You hurt me for so long  
Bitch, And now that I'm gone  
I've been fucked up by you  
And I want to live without you  
[End chorus]

Slit my throat  
Make me bleed some more  
You coulda done this, but no  
You got rid of me  
I'm like ok  
But someone else had already taken my place  
You fucking attacked me in my face  
Think you can do it? Make my day.  
Go ahead. Spray me with bear mace.  
No, I don't give a fuck what you think or say  
Maybe see how to you this tastes  
No I am sober  
Bet you can't wait till this is over  
No it's never over!  
Bitch, ima be on you till it hurts like you did me  
Bitch you fucked with me  
If you never lied  
I coulda been all right

[Chorus]

You think this is some kinda game?  
No bitch it's not the same!  
You had me stuck in the way  
Of believing everything you'd say  
You fucked with me  
Just to leave with that SOB  
Well I don't give a fuck bout you anymore  
You are the last thing I want  
All feelings and emotions are gone

Get fuckin Quintin outta my face  
I don't give a fuck what you two do every day  
Get fuckin outta my way  
You're a hazard to everything I do  
So long bitch, I wanna live in a world without you  
And get ridda fuckin Quintin too.

[Chorus x2]
